Qualifying Events (Change of Status)

- Change in job status of spouse/domestic partner resulting in loss of group coverage or gain of other coverage from new employment
- Change in job status of employee (such as reduction of hours due to FMLA, LWOP, and Disability), or Part-time to Full-time, or vice versa
- Marriage or a change in marital status, such as divorce or legal separation, resulting in a loss of coverage. This includes satisfying requirements for Domestic Partnership eligibility
- Death of a member
- Birth of a child, a court approved adoption, placement for adoption, or legal guardianship. *A newborn can be added on to benefits with the hospital proof of birth; however, if the employee does not submit an official birth certificate*

within 3 months of the date of birth, the baby will be retro-termed and the employee will be responsible to pay all incurred birth/baby-related expenses and claims. The result: because the baby was never covered (due to the retro-term), the baby is NOT eligible for COBRA. At future Open/Switch Enrollments, the baby can be added if an official birth certificate is provided

- Any other circumstance where the individual had other coverage and loses it due to circumstances beyond their control *must be evaluated by RMD for eligibility*

NOTE: Loss of a provider or provider group is *not* a qualifying event to change carriers
