

Delta Dental of New Mexico is proud to launch a NEW value-added product for our Members!

Delta Dental of New Mexico has partnered with Z Sonic Dental to offer the Z Sonic Pulse Electric Toothbrush at a discounted rate.

These toothbrushes are valued at \$99.95 with regular discounting down to \$59.95 on the Z Sonic website. **However, Delta Dental of New Mexico has negotiated the price to \$25.70** so as to provide a more robust option for our member's at-home dental care.

Delta Dental of New Mexico does not profit off of this value-added product, we are simply facilitating the discounted price. All members will work directly with Z Sonic.

So how does the program work?

All Delta Dental of New Mexico members need to do to access this value-added product is to follow the simple steps below.

Go to <https://myzsonic.com/DDNM/> to place your order and input coupon code DDNMZSP (only needed for toothbrush purchase) at checkout!

Brush head replacements are discounted by 30% for all future purchases on the Z Sonic website. **All ordering, service issues, & shipping take place directly between members or groups & Z Sonic.**

Product Details

Sonic technology has a long history of improving oral health when compared to manual brushing. During COVID-19, oral health is more important than ever, since oral health contributes to overall health.

The Z Sonic Pulse is a powerful sonic toothbrush, rivaling products that cost \$100 more. Some features of the Z Sonic Pulse include:

- **The Z Sonic Pulse eliminates 21% more plaque, has 2x the whitening power, and improves gum health in just 2 weeks compared to manual brushing**
- **Includes a variable speed controller which allows the user to set the power to their brushing preference**
- **Adjustable up to 41,000 sonic pulses/min**
- **30-second quad timer to notify the user when to brush the next section of the mouth, 2 minute total**
- **Twice the whitening power over most sonic brushes**
- **Large handle makes it easy for users with arthritis or dexterity issues to grip and use**
- **The lithium-ion battery allows up to 2 months of use on a single charge**
- **Includes USB charging cord**
