IMPORTANT: It is the employee's responsibility to notify the SoNM within 31 days of a dependent ceasing eligibility (e.g., ex-spouse, ex-Domestic Partner (DP), stepchildren who were not legally adopted, etc.) by completing an on-line enrollment/change form. If an employee fails to remove ineligible dependent(s) from coverage, access to ALL benefits will be PERMANENTLY REVOKED.

FLEXIBLE SPENDING ACCOUNTS

Flexible Spending Accounts (FSA), or "reimbursement account", is an employer-sponsored benefit that allows employees to pay eligible health expenses on a pre-tax basis. FSAs save money by reducing taxes on income.

Contributions made to FSAs are deducted from employee's pay BEFORE taxes are applied and are not reported to the IRS. Employee's taxable income decreases, and spendable income increases. This can potentially save the employee hundreds, or even thousands of dollars a year.

Visit www.mybenefitsnm.com for more information on FSAs. Click "Benefit Plan Information" (gold bar, top of page), "Flexible Spending Account" (bottom right).

ERISA

EASI Gov (Erisa) is the Third Party Administrator for the SoNM. Any questions regarding Health Benefits, FSA, COBRA, and Disability should be directed to EASI Gov at [505.244.6000](tel:505.244.6000).

COBRA

COBRA is a continuation-coverage for employees and their dependents who would otherwise lose their health benefits due to termination or loss of eligibility. COBRA is available only to those individuals previously covered under the SoNM. COBRA coverage mirrors the previously held SoNM coverage however, COBRA is not automatic, enrollment is required and the individual is now responsible for 100% of the premium. [Click here](#) for more COBRA information.

The Health Care Authority's State Health Benefits (SHB) is continually communicating important benefit information through Eblasts, SHB Newsletter, Employee Benefits website (www.mybenefitsnm.com), Round the Roundhouse, HR emails, and agency points-of-contacts.
